Subscription plans listed above are for individual consumers only. Each inReach device requires its own subscription plan.

All prices subject to change. All plans are billed monthly. Selected plan auto-renews monthly unless user changes plan selection or cancels before the next renewal date. Additional charges apply to text messages sent through the Iridium satellite network exceeding selected plan limits.

Annual plans are subject to an activation fee, as listed in the table above, charged at sign up. Annual plans have an initial commitment of 1 year. An early termination fee applies for cancellation during the initial 1-year term. No charge applies to changing an Annual plan.

Freedom plans are subject to an Annual Program Fee, charged at sign up and on each 1-year anniversary of sign up. Freedom plans have a minimum term of 30 days. New 30-day minimum applies to changed Freedom plans. No charge applies to changing a Freedom plan. Service can be suspended at no charge. Users retain access to inReach data stored on the Garmin Explore website while account is suspended.

* Active satellite subscription required. Some jurisdictions regulate or prohibit the use of satellite communications devices. It is the responsibility of the user to know and follow all applicable laws in the jurisdictions where the device is intended to be used.
